

REMARKS

Claims 23 to 44 are pending in the application.

Claims 1-22 have been cancelled and re-written as new claims 23-44. New claims 23-44 contain the same subject matter as the cancelled claims, but have been rewritten to correct minor errors of grammar, eliminate multiple dependencies, and place the claims in appropriate U.S. form. As such amendments are formal in nature, no new matter is added. Entry of this amendment and early examination of this application are respectfully solicited.

Respectfully submitted,

Nobuya ITOH
